Dear Mr. Lenling:

My name is _____ and I am writing in support of the expansion of your airport runway. I currently operate a _____ that is over 12,500 lbs and which requires a larger runway than currently available for takeoffs and landings. I travel to the Mobridge area approximately _____ times a year. This would constitute _____ annual operations.

Thank you for your time and attention to this matter and once again, I encourage your board to expand the runway to accommodate larger aircraft and make it safer for those that are at the end of their operational envelopes. If I can provide any further information for your board please feel free to contact me at _____.

Sincerely,

CC. Helms and Associates
